

LIBRELINKUP PRIVACY NOTICE AND TERMS OF USE
Effective date: May 2018

Please read this Privacy Notice and the Terms of Use carefully before downloading and using the LibreLinkUp app which connects you to the LibreView system.

This Terms of Use document is a legal agreement between you and Abbott Diabetes Care Inc.

Abbott Diabetes Care Inc., of 1420 Harbor Bay Pkwy, Alameda, CA 94502, USA is the developer of Sensors ('**Sensors**'), Readers ('**Readers**') and glucose test meters ('**Meters**') for the FreeStyle Libre family of products and the FreeStyle LibreLink mobile app, and the LibreView data management system ('**LibreView system**'). The LibreView system is a secure, cloud-based diabetes management system that may be used by individuals, healthcare professionals and Abbott to aid in the review, analysis and evaluation of historical glucose data, glucose test results and ketone test results to support an effective diabetes health management programme. Abbott is the controller of your personal information transmitted to or stored by you in the LibreView system.

Newyu, Inc. ('Newyu') is the developer of the LibreLinkUp app ('**LibreLinkUp**'). Newyu has developed the LibreLinkUp app as part of the LibreView system, for which Newyu holds the marketing authorisations/ registrations including the CE mark.

References to '**you**', '**your**' or the '**user**' in this Privacy Notice are references to the individual using the LibreLinkUp app. References to '**Abbott**', '**us**', '**our**' or '**we**' in this Privacy Notice are to Abbott Diabetes Care Inc.

Abbott recognises the importance of data protection and privacy and is committed to protecting your personal information, including health-related information.

This Privacy Notice explains how we handle personal information that you provide to us through your use of the LibreLinkUp app. This Privacy Notice does not apply to personal information collected by Abbott (including its subsidiaries and affiliates) via other methods, such as websites or customer call centres; nor does this Privacy Notice apply to other third-party websites.

YOUR USE OF THE LIBRELINKUP APP CONSTITUTES, AND IS CONDITIONED UPON, YOUR ACCEPTANCE OF THIS PRIVACY NOTICE. BY ACCEPTING, YOU EXPLICITLY ACKNOWLEDGE THAT THIS PRIVACY NOTICE WILL APPLY TO YOUR USE OF THE LIBRELINKUP APP AND TO YOUR USE OF THE LIBREVIEW SYSTEM, AND TO THE PROCESSING AND TRANSFER OF YOUR PERSONAL INFORMATION AS SET OUT IN THIS PRIVACY NOTICE.

The index and headings in this Privacy Notice are for your convenience only, and do not limit, define or fully explain each section.

(A) LIBREVIEW SYSTEM PRIVACY NOTICE

1. Background of the LibreLinkUp app and the LibreView system.

LibreLinkUp allows you, once you have been invited, to view the glucose data of your family members and/or friends where they elect to share with you the data that they store in the LibreView system. Once you are connected, you will be able to view their glucose data to support them with their diabetes health management programme.

The LibreView system is a secure, cloud-based diabetes management system that may be used by individuals, healthcare professionals and Abbott to aid in the review, analysis and evaluation of historical glucose data, glucose test results, ketone test results and user-entered information, including insulin, food, exercise and notes, to support an effective diabetes health management programme. The FreeStyle Libre family of products and the LibreView system enable Abbott to improve the quality, security and effectiveness of medical devices and systems, and allow Abbott to develop innovative and effective treatment for and management of diabetes in the interests of public health. Use of the LibreView system may require: compatible devices, Internet access, data usage (charges may apply), certain software (fees may apply) and periodic updates, and the performance of the LibreView system may be affected by these requirements.

2. No medical advice.

THE LIBREVIEW SYSTEM IS NOT INTENDED FOR THE DIAGNOSIS OF OR SCREENING FOR DIABETES MELLITUS. USERS SHOULD BE AWARE THAT THE LIBREVIEW SYSTEM IS AN INFORMATION MANAGEMENT SERVICE TO ENABLE THE ANALYSIS OF GLUCOSE DATA AND IS NOT INTENDED AS A SUBSTITUTE FOR THE ADVICE OF A HEALTHCARE PROFESSIONAL. INDIVIDUALS USING LIBRELINKUP TO RECEIVE INFORMATION ABOUT PERSONS WITH DIABETES SHOULD ALWAYS CONSULT A HEALTHCARE PROFESSIONAL IF THEY HAVE ANY QUERIES OR CONCERNS ABOUT DIABETES MANAGEMENT. PROFESSIONAL MEDICAL ADVICE SHOULD NEVER BE DISREGARDED NOR SHOULD YOU DELAY IN SEEKING IT BECAUSE OF INFORMATION CONTAINED IN THE LIBREVIEW SYSTEM ACCOUNT OR DISPLAYED IN LIBRELINKUP. WHILE ABBOTT USES INFORMATION THAT IT RECEIVES VIA THE LIBREVIEW SYSTEM TO IMPROVE TREATMENT GUIDANCE, ABBOTT IS NOT A PROVIDER OF MEDICAL CARE AND ABBOTT IS NOT RESPONSIBLE FOR NOTIFYING HEALTHCARE PROFESSIONALS OF ANY CHANGES IN THE GLUCOSE READINGS OF A USER OF THE FREESTYLE LIBRELINK MOBILE APP. YOUR DECISION TO TAKE ACTION BASED ON ANY INFORMATION TRANSMITTED TO OR STORED ON THE LIBREVIEW SYSTEM OR ON ANY INFORMATION RECEIVED FROM ABBOTT EMPLOYEES, AGENTS OR SUPPLIERS IS SOLELY AT YOUR OWN RISK.

3. To what does this Privacy Notice apply?

This Privacy Notice applies only to the personal information that you submit when creating a LibreView system account and through any customer services that we provide that are connected to your use of the LibreView system. You may also be able to access your account for the LibreView system via a website domain, depending on your country of residence; however, use of any LibreView website will be subject to a separate Privacy Notice on that website. This Privacy Notice does not apply to any other personal information provided by you or collected from you by Abbott.

4. What information does this Privacy Notice govern?

This Privacy Notice covers the following information:

- Your LibreView system account profile, which includes your name, email address, date of birth and country.
- Information about your mobile device, including information about your operating system and other troubleshooting and analytical data to help us provide LibreLinkUp and the LibreView system to you.

LibreLinkUp transmits personal information and data directly to the LibreView system pursuant to this Privacy Notice. You may use LibreLinkUp to change your account settings for the LibreView system, such as your name, email and password.

5. How is personal information handled?

Personal information

Abbott uses personal information and data derived from your mobile device in the following ways:

- to provide you with a LibreView system account so that your family members or friends may share their glucose readings stored in the LibreView system with you via the LibreLinkUp app.
- to help us fix any issues with LibreLinkUp or the LibreView system, including where we respond to your questions or respond to your request for support, troubleshooting or other any performance issues.
- to better understand how you interact with and use the LibreView system, including its functionality and features.
- where you opted in, we will prepare and send you tailored marketing information, based on your LibreView system account, including from your local Abbott company. You will be provided with an opportunity to opt in to these communications when you first provide us with your personal information. If you initially opt in, you will also be provided with an opportunity to opt out through each marketing communication that you receive from us.

Data analysis

Abbott uses de-identified, pseudonymised, aggregated and/or anonymised information for limited purposes. Our parent company Abbott Laboratories assists us as a data processor with this data analytics process, in particular the processes related to de-identifying, pseudonymising and/or anonymising information. This is information which Abbott securely holds and will not be used to identify you individually by name or email address. The purposes for which Abbott will use this information are:

- to improve the quality, security and effectiveness of medical devices and systems and to allow for the development of innovative and effective treatment for and management of diabetes in the interests of public health.
- to create, access, retain, use and disclose to our affiliated companies, third-party researchers, healthcare entities or professionals, or public health authorities for the purposes of scientific research, statistical purposes and analysis.
- to research, develop and test healthcare systems and management.
- to validate upgrades, and to keep the LibreView system safe and secure.

EU General Data Protection Regulation for EEA and Swiss users: Abbott processes your information based on the following legal bases as set out in the General Data Protection Regulation ('GDPR'):

- Processing is necessary to perform services under the LibreLinkUp Terms of Use.

- Abbott’s legitimate business interests when we de-identify and pseudonymise data to better understand how you interact with and use LibreLinkUp and LibreView system, including its functionality and features and information about your mobile device.
- Consent to prepare and send you tailored marketing information, based on the data uploaded (including health-related information) or connected with your LibreView system account, from your local Abbott company. You will be provided with an opportunity to opt in to these communications when you first provide us with your personal information. If you initially opt in, you will also be provided with an opportunity to opt out in each marketing communication that you receive from us.
- Public interest in the area of public health, including where you receive reimbursement or are otherwise entitled to public funding for use of Abbott’s medical devices, to monitor and improve the quality, security and effectiveness of medical devices and systems, to identify and implement quality improvements or new developments, and where we use information obtained from your Sensor and your mobile device to help us fix or enhance LibreLinkUp or the LibreView system.
- Public interest in the area of public health and to conduct scientific research when we de-identify or pseudonymise information in the LibreView system.
- Legal requirements related to the regulation, quality, safety and post-market surveillance of medical devices.

The contact details of our European data protection officer along with other useful contact information are available at www.eu-dpo.abbott.com.

6. How long does Abbott store personal information?

Abbott will continue to store your personal information while you have an active LibreView system account and in accordance with applicable data retention requirements. The section below entitled ‘How do I delete my LibreView System account’ explains how you can delete your account and what happens to your personal information once your account has been deleted.

7. Does Abbott share personal information with third parties?

We share personal information with our third-party suppliers solely to provide, maintain, host and support the LibreView system. Newyu, which holds the marketing authorisations/registrations for the LibreView system, will process personal information on our behalf as a third-party supplier. Abbott Laboratories, our parent company, assists us as a data processor with the data analytics process, in particular the processes related to de-identifying, pseudonymising and/or anonymising information. Where we provide your personal information to third-party suppliers to assist us with the provision of your LibreView system account, they are required to keep your personal information confidential and secure and to use your personal information to the minimum extent necessary.

If you select France as your country of residence: the hosting of your LibreView system account in the cloud will be hosted in France by Orange Business Services, accredited by the ASIP Santé to host health-related information.

If you select a country in Europe other than France as your country of residence: the hosting of your LibreView system account in the cloud is by Amazon Web Services in the European Union. Apart from where in exceptional circumstances your personal information is required to respond to your request for customer support, we will only transfer pseudonymised and de-identified information outside the EEA.

Abbott uses third-party service providers to provide you with LibreLinkUp and the LibreView system. For example, we use third-party service providers to report when LibreLinkUp crashes so that we can support and improve the LibreLinkUp; when these crashes occur, LibreLinkUp will send certain information about the incident to such third parties. The information sent to such third parties will not involve the use of your personal information.

Where you opt in to receive direct marketing communications from us, we may share your personal information with local affiliated Abbott companies with whom we are jointly marketing a product or service, or jointly conducting a programme or activity. This will only occur where you consent to sharing, for example where you opt in to receive Newyu Record 858 v 6.0

marketing communications from Abbott (or its affiliates) as described in this Privacy Notice. We may also share your personal information with third parties where you have expressly asked us to do so. We will not sell or license your personal information to third parties except in connection with the sale, merger or transfer of a product line or division, so that the buyer can continue to provide you with information and services. For the avoidance of doubt, we will never sell your personal information for commercial purposes to third parties and we may only share your personal information with third parties where you have provided consent or where permitted by applicable law.

We may share de-identified, pseudonymised, aggregated and/or anonymised information with affiliated Abbott companies and with other third parties for the purposes relating to 'Data Analysis' set out above. This is information which Abbott securely holds and will not be used to identify you individually by your name or email address. We reserve the right to disclose your personal information to respond to authorised information requests from government authorities, to address national security situations or when otherwise required by law. Furthermore, where permitted or required by law, we may also disclose the information that we collect from you where we believe it is necessary to investigate, prevent or take action regarding illegal activities, suspected fraud, situations involving potential threats to the safety of any person, violations of this Privacy Notice or as evidence in litigation in which we are involved. Your personal information may be subject to foreign laws and may be accessible by foreign governments, courts, law enforcement and regulatory agencies.

8. How does Abbott secure personal information?

We have implemented administrative, technical and physical safeguards to protect your personal information, including health-related information, from unauthorised or unlawful access, accidental loss, destruction, damage, misuse, disclosure and alteration, including through the use of cryptographic technologies. Abbott restricts access to personal information by its employees on a need-to-know basis. Please bear in mind that no Internet or Wi-Fi transmission is 100% secure, so please exercise caution when uploading personal information, especially health-related information, to your LibreView system account.

You are responsible for protecting against unauthorised access to your LibreView system account. We recommend securing access to your mobile device by logging out, choosing a robust password that nobody else knows or can easily guess, and keeping your account information and password private. Abbott is not responsible for any lost, stolen or compromised passwords, or for any activity on your LibreView system account from unauthorised users where caused by you. If you think that your account has been compromised, please contact us as soon as you are able at DiabetesCarePrivacy@Abbott.com.

9. Where does Abbott store and transfer personal information?

The personal information transmitted to the LibreView system will be stored in the cloud on secure servers.

- **If you select France as your country of residence:** your personal information, including health-related information, will be hosted in France by Orange Business Services, accredited by the ASIP Santé to host health-related information.
- **If you select a country in the EEA or Switzerland other than France as your country of residence:** your personal information, including your health-related information, will be hosted on servers within the European Union.
- **If you select the United States of America as your country of residence:** your personal information will be hosted on servers in the United States of America.
- **If you select a country outside the EEA and the United States of America as your country of residence:** your personal information will be hosted on servers within that region or otherwise in accordance with the data storage and privacy requirements of the selected country/region.

When your personal information is hosted in a country other than the country that you selected, it may become subject to the laws of the host country, which may not be equivalent to the laws of the country that you selected. However, Abbott will put appropriate measures in place to protect your personal information and ensure that your personal information only be collected, used and disclosed as permitted under applicable laws.

If you select a country outside the United States of America as your country of residence:

- We may occasionally need to access or view your personal information, such as your name and email address, and in certain exceptional circumstances your health-related information, via a secure network from the United States of America to the extent that it is necessary for us to provide you with technical support or to troubleshoot any system issues in relation to your LibreView system account.
- We may also transfer information to the United States of America from Europe (except France), Asia Pacific, Latin America or other regions via a secure network in de-identified or pseudonymised form, which prevents us from identifying you, for the purpose of conducting data analysis as described in the section entitled 'Data Analysis' above. The United States may not provide data protection or privacy laws equivalent to the laws of your country; however, we put appropriate measures in place to protect your personal information.

BY CREATING A LIBREVIEW SYSTEM ACCOUNT AND BY ACKNOWLEDGING THIS PRIVACY NOTICE, WE ARE INFORMING YOU OF THESE TRANSFERS OF YOUR PERSONAL INFORMATION TO THE UNITED STATES OF AMERICA AND TO THE ACCESS OF YOUR PERSONAL INFORMATION FROM THE UNITED STATES OF AMERICA, WHICH MAY BE REQUIRED TO RESPOND TO ANY SUPPORT REQUESTS THAT YOU SUBMIT. THE UNITED STATES OF AMERICA MAY NOT OFFER AN EQUIVALENT LEVEL OF PROTECTION FOR YOUR PERSONAL DATA WHEN COMPARED TO THE LAWS OF THE COUNTRY IN WHICH YOU ARE LOCATED.

10. Will Abbott send me marketing material?

Abbott (or its affiliates) may send you advertising and marketing-related information about diabetes care or their other products and services if (where required by law) you opted in to receive such communications when you set up your LibreView system account profile. You may receive marketing information which is tailored to your specific needs based on the information in your LibreView system account. We may also invite you to participate in surveys about our products, provide you with news and newsletters, or notify you about special offers and promotions. These materials may be sent by us or by one of the companies in the Abbott Group. You may opt out from receiving marketing-related communications by either clicking on the unsubscribe link at the bottom of marketing-related emails that we send you, by changing your LibreView preferences or by contacting us at DiabetesCarePrivacy@Abbott.com. We will process opt-out requests without undue delay.

Neither Abbott nor its affiliates or licensors will send advertising or marketing-related information to children.

Abbott will not sell your personal information to third parties for direct marketing.

Where you opt out of receiving marketing-related information about diabetes care, we may continue to send you non-marketing related information. This information may be in relation to necessary system and service updates or issues including product safety.

11. How does Abbott protect the privacy of children?

We do not knowingly collect or use any personal information from children via LibreLinkUp. If you are a parent or guardian and become aware that your child has attempted to set up a LibreView system account using LibreLinkUp or has attempted to provide us with information directly, please contact us using one of the methods specified below and we will work with you to address this issue.

12. How may I access and/or correct my personal information?

You may correct your profile information through the LibreView system account settings within LibreLinkUp or on the LibreView website, where accessible.

13. What rights do I have over my personal information?

Depending on your place of residence, you may have the right to: (a) access the personal information that we hold about you; (b) request that we correct any inaccurate personal information that we hold about you; (c) delete any personal information that we hold about you; (d) restrict the processing of personal information that we hold about you; (e) object to the processing of personal information that we hold about you; and/or (f) receive any personal information that you have provided to us on the basis of your consent, in a structured and commonly used machine-readable format, or have such personal information transmitted to another company by using the export function in the LibreView website, where accessible.

To request the exercise of these rights, please contact us at DiabetesCarePrivacy@Abbott.com.

For EEA and Swiss users: You have the right to lodge a complaint with your local data protection authority if you are unhappy with any aspect of Abbott's processing of your personal information. The contact details of our European data protection officer along with other useful contact information are available at www.EU-DPO.abbott.com.

14. How do I delete my LibreView system account?

If you would like to delete your LibreView system account, please contact us at DiabetesCarePrivacy@Abbott.com. Please be aware that if you delete your account, we will retain aggregated and de-identified information and may need to retain certain personal information as required by law.

Once your LibreView system account and any associated personal information has been deleted, you will no longer have access to the LibreView system and deletion of your account may be irreversible. You may not therefore be able to reactivate your LibreView system account or retrieve any of this information.

Please note that if any family member and/or friend sharing their glucose readings with you deletes their LibreView system account, you will no longer be able to view their glucose readings.

Abbott reserves the right to delete inactive LibreView system accounts after six months. We attempt to notify you in advance so that you have an opportunity to ensure that your account stays current and available for your use.

15. How can I contact Abbott?

If you have questions, comments or complaints about our privacy practices, please contact us by clicking on the 'Contact Us' link on one of our websites, or emailing us at DiabetesCarePrivacy@Abbott.com. Alternatively, you may send a letter to the following address:

FAO: Privacy Officer
Abbott Diabetes Care Inc.
1420 Harbor Bay Parkway
Alameda, CA 94502
USA

In all communications to us, please include the email address used to create your LibreView system account and a detailed explanation of your request.

EU Data Protection Officer: If you are in the EEA, the contact details of our European data protection officer along with other useful contact information are available at www.eu-dpo.abbott.com. If you would like to exercise any of your rights set out in section 16 above and are contacting us by email, please title your email subject line accordingly (for example: 'Correction Request' or 'Deletion Request'). We will do our best to respond to all reasonable requests in a timely manner, or at the very least, in accordance with any applicable legal requirement.

For French users

It is important that you select France as your country of residence when setting up the LibreLinkUp app. If you have incorrectly identified a different country as your country of residence, do not complete the installation. Instead, re-start the installation of the LibreLinkUp app and select France as your country of residence.

The Data Controller for your LibreView System account is Abbott Diabetes Care, Inc., 1420 Harbor Bay Parkway, Alameda, California 94502 United States. Our local representative is Abbott Diabetes Care France (Diabétologie), Bâtiment Cologne, 12 Rue de la Couture, BP 20235, 94518 Rungis Cedex.

Abbott Diabetes Care will not use your data for analytics as further described in the section entitled 'How does Abbott use other types of information?' The section entitled 'Will Abbott send me marketing material?' does not apply to users in France. You consent to the processing of your sensitive personal data as set out herein.

The recipients of the data are the data processors involved in the storing and hosting of your account, in particular Orange Business Services, an accredited health-data host located in France. Orange may provide customer support related to the hosting of your data. In exceptional circumstances where Orange is unable to resolve the customer support issue, Newyu, based in the United States, may need to access the servers and/or access your data to resolve the customer support issue related to your account, and you consent to a transfer of your data to Newyu for the purpose of receiving such support. We will not share your data with any other third parties, including any other affiliated Abbott companies, nor will we transfer your data for any other reason.

Your rights are set out above in the section 'What rights do I have over my personal information' which you may exercise by contacting our Data Protection Officer at www.eu-dpo.abbott.com.

16. Changes to this Privacy Notice.

If we change our privacy practices, an updated version of this Privacy Notice will reflect those changes. You will be alerted to updates to this Privacy Notice by email or via the LibreLinkUp app. Without prejudice to your rights under applicable law, we reserve the right to update and amend this Privacy Notice without prior notice to reflect technological advancements, legal and regulatory changes and good business practices to the extent that it does not change the privacy practices as set out in this Privacy Notice.

If you do not agree to the changes to the Privacy Notice, you should request deletion of your LibreView system account by contacting us at DiabetesCarePrivacy@Abbott.com.

(B) LIBREVIEW SYSTEM TERMS OF USE

1. General: The LibreLinkUp app, developed and provided by Newyu, Inc., allows you, once you have been invited, to view the glucose readings of your family members or friends where they elect to share with you the data that they store in the LibreView system. Once you are connected, you will be able to view their glucose readings to support them with their diabetes health management programme. Newyu, Inc. holds the marketing authorisations/registrations for the LibreView system.

Use of the LibreView system may require: compatible devices; Internet access or data usage (charges may apply); certain software (fees may apply); and periodic updates, and the performance of the LibreView system may be affected by these requirements. Abbott only permits one LibreView system account per email address and reserves the right to limit the number of devices associated with a LibreView system account. You agree that meeting these requirements is your responsibility.

2. LibreView system account: The LibreLinkUp app allows you to view the FreeStyle Libre glucose readings of those family members or friends that have opted to share their diabetes-related information that they store in the LibreView system with you. The LibreLinkUp app is your gateway to creating a LibreView system account in which your personal information will be stored. To create a LibreView system account via the LibreLinkUp app you acknowledge that you must be aged 18 or over, or such other age as local law defines as an adult. Do not reveal your LibreView system account information to anyone else. You acknowledge and agree that the LibreView system is designed and intended for personal use on an individual basis and that you should not share your LibreView system account and/or password details with another individual. You are responsible for maintaining the confidentiality and security of your LibreView system account and for all activities that occur on or through it. You agree to notify Abbott if you become aware of a security incident or breach affecting your LibreView system account, including where you believe your password may have been compromised. Abbott is not responsible for any lost, stolen or compromised passwords, or for any activity on your LibreView system account from unauthorised users or for any losses arising out of or in connection with the unauthorised use of your LibreView system account where caused by you.

Provision of a LibreView system account is subject to your agreement to and compliance with all the terms and conditions of these Terms of Use. You will be responsible for obtaining and maintaining any Internet connections, computing equipment and supplies necessary for you to receive, access and use the LibreView system. You agree to only use the LibreView system as expressly permitted herein. Abbott and its affiliates and its suppliers own all rights, titles and interests in and to the LibreView system.

To use the LibreView system you must enter some of your personal information, including your username and password, to create your LibreView system account. You agree to provide accurate and complete information when you register with, and as you use, the LibreView system, and you agree to keep your LibreView system account information accurate, current and complete.

3. Limitations on use: You agree to use the LibreView system only for purposes permitted by these Terms of Use, and only to the extent permitted by any applicable law, regulation or generally accepted practice in the applicable jurisdiction. If your use of the LibreView system or other behaviour intentionally or unintentionally threatens Abbott's ability to provide the LibreView system, Abbott shall be entitled to take all reasonable steps to protect the LibreView system, which may include suspension of your access to the LibreView system or termination of your LibreView system account. Nothing in these Terms of Use shall be construed to convey to you any interest, title or licence in a LibreView system account or similar resource used by you in connection with the LibreView system. You agree that you will not reproduce, copy, duplicate, sell, resell, rent or trade the LibreView system (or any part thereof) for any purpose.

4. Permitted uses of your LibreView system account: These Terms of Use allow you to set up a LibreView system account: (i) if you are an individual user for yourself or other adult (anyone 18 or older) in your household for personal, non-business use by you and other members of your household; or (ii) if you are a professional or organisational user, you may create a LibreView system account over your organisation's network, for use by any employee or other individual authorised by your organisation, unless you are located in France where use of the LibreLinkUp app by professional users is not permitted.

5. Prohibited uses of your LibreView system account: You agree that you will NOT use the LibreView system to:

(a) access the glucose readings of any individual that has not elected to share their FreeStyle LibreLink glucose readings with you;

(b) pretend to be anyone that you are not or misrepresent who you are or otherwise misrepresent your affiliation with any person (including a child) by inducing them to share their LibreView system account information with you. Abbott reserves the right to reject or block any LibreView system account or email address which has or could be deemed to have viewed or otherwise accessed another individual's LibreView system account without having obtained that person's prior authorisation;

(b) engage in any infringement of Intellectual Property Rights (including uploading any content to which you do not have the right to upload);

(c) interfere with or disrupt the LibreView system (including accessing the LibreView system through any automated means, such as scripts or web crawlers), or any servers or networks connected to the LibreView system, or any policies, requirements or regulations of networks connected to the LibreView system (including any unauthorised access to, use or monitoring of data or traffic thereon);

(d) monitor, gather, store, view or otherwise access any personal information, including health information, of any persons using an Abbott FreeStyle Libre flash glucose monitoring system without first having received their prior consent or without otherwise being authorised to do so;

(e) reverse engineer, decompile, disassemble, decode, create derivative works of, gain access to the source code of or modify the LibreView system except and then solely to the extent permitted under applicable law; and/or

take a screenshot of the data displayed on the LibreLinkUp app and share that data with other persons, without having obtained the prior consent of the person who elected to share their LibreView system account information with you.

6. Support: Free technical support is available by going to the LibreView.com support site and clicking on the 'Contact Support' link. Enquiries will be directed to the appropriate support teams.

7. Availability and accuracy of information: The LibreView system, or any feature or part thereof, may not be available in all languages or in all countries and Abbott makes no representation that the LibreView system, or any feature or part thereof, is appropriate or available for use in any particular location. To the extent that you choose to access and use the LibreView system, you do so at your own initiative and are responsible for compliance with any applicable laws. Any information visible to you via the LibreLinkUp app and stored in the LibreView system is based exclusively on glucose, ketone and insulin data and other information provided by third parties. Abbott makes no representations or warranties regarding the accuracy, completeness, reliability or timeliness of any data or content displayed on LibreLinkUp that has been provided by third parties, or of any data stored by you in the LibreView system. In particular, Abbott makes no representations or warranties that any information based on such data will be in compliance with government regulations requiring disclosure of information.

8. Changing LibreView system Terms of Use: Abbott reserves the right at any time to modify these Terms of Use and to impose new or additional terms or conditions on your use of the LibreView system. Such modifications and additional terms and conditions will be communicated to you by being displayed on-screen when you next use the LibreView system via the LibreLinkUp app and, if accepted, will be effective immediately and will be incorporated into these Terms of Use. In the event that you refuse to accept such changes, Abbott will have the right to terminate these Terms of Use and your LibreView system account. You agree that Abbott shall not be liable to you or any third party for any modification or cessation of the LibreView system.

(a) For users in the EEA and Switzerland: You will be notified of any changes to these Terms of Use when you log in to the LibreView system via the LibreLinkUp app. Changes will be considered to have been accepted by you unless you inform Abbott in writing or by using electronic means agreed upon by Abbott. Abbott will draw your attention to this fact when changes are announced. If you should decide to object to any change, you must do so within six weeks after receipt of announcement of the change. In the event of an objection, Abbott may terminate your LibreView system account upon four weeks' notice. Provision 8 does not apply to users located in the EEA and Switzerland. **Additional information for German users:** You will be able to store or print out changes to the Terms of Use in legible form.

9. Deletion of your LibreView system account: You may delete your account at any time. Your LibreView system account and all information, including personal information, stored in your LibreView system account will be deleted upon receipt and processing of your delete request. Please be aware that it may take up to 72 hours to process your request. Abbott has no responsibility for retaining/storing or backing up your LibreView system account. Abbott is not responsible for unauthorised access to, use of or alteration of your information. If you email, back up, take a screenshot of the LibreLinkUp app or otherwise share any of your personal information or information displayed from others, that information may not be encrypted and Abbott will have no ability to manage the privacy or security of that information. You should take the steps that you determine appropriate to protect the security of such information. Unless otherwise required by law, you agree that your LibreView system account is non-transferable and that any rights to have a LibreView system account or any data stored in the LibreView system will terminate upon your death. Upon receipt of a copy of a death certificate, your LibreView system account may be terminated and all data within deleted. Email DiabetesCarePrivacy@Abbott.com for further information.

10. Third-party systems and products: The LibreView system: YOU ACKNOWLEDGE THAT YOU WILL BE USING THE LIBREVIEW SYSTEM IN CONNECTION WITH THE LIBRELINKUP APP, WHICH IS OUTSIDE THE CONTROL OF ABBOTT. ABBOTT MAKES NO INDEPENDENT CLAIMS AS TO THE VALIDITY, ACCURACY, RELIABILITY OR STATUS OF THE LIBRELINKUP APP. Any third-party products that are licensed or provided to you are subject to the terms and conditions of the purchase agreement, software licence agreement, end user licence agreement or services agreement accompanying such third-party product in whatever form, including electronic licence terms or other

form accepted at time of download or purchase. Your use of any third-party products shall be governed entirely by the terms and conditions of such agreement.

11. No medical advice: THE LIBREVIEW SYSTEM IS NOT INTENDED FOR THE DIAGNOSIS OF OR SCREENING FOR DIABETES MELLITUS. INDIVIDUALS SHOULD ALWAYS SEEK THE ADVICE OF A DOCTOR OR OTHER QUALIFIED HEALTHCARE PROFESSIONAL WITH ANY QUESTIONS THEY MAY HAVE REGARDING A MEDICAL CONDITION. INDIVIDUALS SHOULD NEVER DISREGARD PROFESSIONAL MEDICAL ADVICE OR DELAY IN SEEKING IT BECAUSE OF INFORMATION DISPLAYED ON THE LIBRELINKUP APP.

ABBOTT IS NOT A PROVIDER OF MEDICAL CARE AND ABBOTT IS NOT RESPONSIBLE FOR NOTIFYING YOU OR ANY INDIVIDUAL'S DOCTOR OR OTHER HEALTHCARE PROFESSIONAL(S) OF ANY CHANGES IN GLUCOSE READINGS. The LibreView system is designed to help individuals using the LibreLinkUp app to support those members of their family or friends using the FreeStyle Libre sensors to manage their diabetes through information, analysis and communication. YOUR DECISION TO TAKE ACTION BASED ON ANY INFORMATION ON THE LIBREVIEW SYSTEM OR ON ANY INFORMATION DISPLAYED ON THE LIBRELINKUP APP, OR RECEIVED FROM ABBOTT EMPLOYEES, AGENTS OR SUPPLIERS IS SOLELY AT YOUR OWN RISK.

12. Disclaimer of warranties: YOU EXPRESSLY ACKNOWLEDGE AND AGREE THAT YOUR USE OF THE LIBREVIEW SYSTEM IS AT YOUR SOLE RISK AND THAT THE ENTIRE RISK AS TO SATISFACTORY QUALITY, PERFORMANCE, ACCURACY AND EFFORT IS WITH YOU. Any content included in the LibreView system is for the purpose of providing information only. Although Abbott believes the data displayed in the LibreView system to be accurate as at the time it is transmitted to the LibreView system, Abbott makes no representation, express or implied, as to the accuracy, completeness or timeliness of the information. Some of the foregoing disclaimers may be ineffective in certain countries/states/provinces/jurisdictions, so may not apply to you in their entirety. In no event will Abbott be liable to you for any losses from mistakes, omissions or delays in transmission of information, or from interruptions in telecommunications connections to the LibreView system.

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, ABBOTT, ITS AFFILIATES AND ITS THIRD-PARTY PROVIDERS PROVIDE THE LIBREVIEW SYSTEM 'AS IS' AND 'AS AVAILABLE' WITH ALL FAULTS AND DEFECTS AND WITHOUT ANY OTHER WARRANTY OF ANY KIND, AND HEREBY DISCLAIM ALL OTHER WARRANTIES AND CONDITIONS, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF TITLE AND NON-INFRINGEMENT, ANY IMPLIED WARRANTIES, DUTIES OR CONDITIONS OF MERCHANTABILITY, OF FITNESS FOR A PARTICULAR PURPOSE AND QUALITY, AND OF LACK OF VIRUSES. NO ORAL OR WRITTEN INFORMATION OR ADVICE GIVEN BY ABBOTT OR AN ABBOTT-AUTHORISED REPRESENTATIVE SHALL CREATE A WARRANTY.

Abbott, its affiliates and its third-party providers do NOT warrant that the functions contained in the LibreView system will meet your requirements, or that the operation of the LibreView system will be uninterrupted or error-free, or that such errors will be corrected. The LibreView system may be incompatible with other device or computer software and hardware. You should not use the LibreView system for any applications in which failure could cause any significant damage or injury to persons or tangible or intangible property. Some countries/states/provinces/jurisdictions do not allow exclusion of implied warranties or limitations on the duration of implied warranties, so the above disclaimers may not apply to you in their entirety. To the extent that applicable law requires Abbott to provide warranties, you agree that the scope and duration of such warranty shall be to the minimum extent required to be provided under such applicable law.

IN NO EVENT DOES ABBOTT PROVIDE ANY WARRANTY OR REPRESENTATION WITH RESPECT TO ANY THIRD-PARTY HARDWARE OR SOFTWARE, AND ABBOTT DISCLAIMS ALL LIABILITY WITH RESPECT TO ANY FAILURES THEREOF. ABBOTT DISCLAIMS ANY AND ALL LIABILITY THAT MAY DERIVE FROM ACTIONS OR CLAIMS AGAINST ABBOTT OR ANY OF ITS AFFILIATES, AGENTS OR ASSIGNS, OR OTHER THIRD PARTIES AS MAY BECOME APPLICABLE OVER THE COURSE OF THIS TERMS OF USE. SOME COUNTRIES/STATES/PROVINCES/JURISDICTIONS DO NOT ALLOW DISCLAIMERS OF WARRANTIES, SO THE ABOVE DISCLAIMERS MAY NOT APPLY TO YOU IN THEIR ENTIRETY.

(a) For German and Swiss users: This provision applies to you instead of section 12. The LibreView system is provided 'as is' and 'as available'. While seeking to avoid extensive downtimes and significant impediments to the usability of the LibreView system to the extent possible, Abbott does not warrant or guarantee error-

free and uninterrupted accessibility and usability of the LibreView system or of any of the functions contained therein. Your statutory warranty rights remain unaffected by the foregoing.

- (b) For UK users:** Nothing in Section 12 shall affect the statutory warranties in respect of satisfactory quality, fitness for purpose or accuracy of description.

13. Limitation of liability: NOTWITHSTANDING ANY LOSSES THAT YOU MAY INCUR, THE ENTIRE LIABILITY OF ABBOTT, ITS AFFILIATES AND ANY OF ITS THIRD-PARTY PROVIDERS UNDER ANY PROVISION OF THIS TERMS OF USE AND YOUR EXCLUSIVE REMEDIES FOR ALL OF THE FOREGOING SHALL BE LIMITED TO EITHER THE FIXING, REPAIRING OR OTHERWISE RECTIFYING ANY FAULTS WITHIN THE LIBREVIEW SYSTEM, EVEN IF ANY SUCH LOSS WAS FORESEEABLE OR CONTEMPLATED BY THE PARTIES, OR WHERE APPLICABLE, THE GREATER OF THE AMOUNT ACTUALLY PAID BY YOU FOR THE LIBREVIEW SYSTEM ACCESS OR \$10.00. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL ABBOTT, ITS AFFILIATES OR ITS THIRD-PARTY PROVIDERS BE LIABLE FOR MONETARY DAMAGES, INCLUDING ANY SPECIAL, INCIDENTAL, INDIRECT OR CONSEQUENTIAL DAMAGES WHATSOEVER (INCLUDING, BUT NOT LIMITED TO, DAMAGES FOR LOSS OF PROFITS, FOR LOSS OF DATA OR OTHER INFORMATION, FOR BUSINESS INTERRUPTION, FOR PERSONAL INJURY, FOR LOSS OF PRIVACY ARISING OUT OF OR IN ANY WAY RELATED TO THE USE OF OR INABILITY TO USE THE LIBREVIEW SYSTEM, THIRD-PARTY SOFTWARE AND/OR THIRD-PARTY HARDWARE USED OR THAT MAY BE USED WITH THE LIBREVIEW SYSTEM, FOR LOSS FROM ANY VIRUSES OR OTHER TECHNOLOGICALLY HARMFUL MATERIAL THAT MAY INFECT YOUR DEVICE DUE TO YOU DOWNLOADING ANY MOBILE APP/MATERIAL/WEBSITE LINKED TO THE LIBREVIEW SYSTEM, OR OTHERWISE IN CONNECTION WITH ANY PROVISION OF THIS TERMS OF USE), EVEN IF ABBOTT, ITS AFFILIATES OR ANY THIRD-PARTY PROVIDER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND EVEN IF THE REMEDY FAILS OF ITS ESSENTIAL PURPOSE. ONLY YOU CAN IMPLEMENT BACK-UP PLANS AND SAFEGUARDS NECESSARY TO APPROPRIATELY ADDRESS YOUR NEEDS IN THE EVENT THAT AN ERROR IN THE LIBREVIEW SYSTEM CAUSES COMPUTER PROBLEMS AND RELATED DATA LOSSES. FOR THESE BUSINESS REASONS, YOU UNDERSTAND AND AGREE TO THE LIMITATIONS OF LIABILITY IN THIS SECTION AND ACKNOWLEDGE THAT WITHOUT YOUR TERMS OF USE TO THIS PROVISION, ANY APPLICABLE FEE CHARGED WOULD BE HIGHER.

Some countries/states/provinces/jurisdictions prohibit or limit the exclusion or limitation of liability or incidental or consequential damages, so the above limitations or exclusions may not apply to you.

- (a) For UK and Swiss users:** Nothing in these Terms of Use shall exclude our liability for death or personal injury arising out of our negligence or fraudulent misrepresentation in connection with the LibreView system.

- (b) For German users:** Abbott will be liable for any culpable breach of material contractual obligations (cardinal obligations). Cardinal obligations are contractual obligations that must be fulfilled to permit proper execution of these Terms of Use and may regularly be relied upon by you. Abbott's liability will otherwise be limited to gross negligence and wilful misconduct. In the event of any liability on the part of Abbott due to a slightly negligent breach of cardinal obligations or slight misconduct on the part of simple vicarious agents, Abbott's liability will be limited to typically foreseeable damages. This will not affect any mandatory statutory liability, in particular Abbott's liability in connection with the loss of life, bodily injury or illness, or its liability in connection with the German Product Liability Act. Provision 13 does not apply to users located in Germany.

14. Indemnity: You agree to indemnify, defend and hold harmless Abbott, its affiliates and their respective officers, directors, employees, agents, successors, assigns and licensors from and against any and all claims, demands, liabilities, losses, costs and expenses (including solicitors' and experts' fees) made by a third party due to or arising out of, or related to a violation of these Terms of Use or laws, regulations or third-party rights including any infringement of their copyright or Intellectual Property Rights of any third party by you or others in your household or organisation or otherwise in connection with your or their use of the LibreView system where by negligent act, omission or wilful misconduct.

15. Licence: Abbott does not claim ownership of the data that you transmit or submit to the LibreView system or any LibreView information displayed to you via the LibreLinkUp app. By disclosing your personal information to Abbott, you grant it a worldwide, royalty-free, non-exclusive licence to use, distribute, reproduce, modify, adapt,

publish and translate such data for the purpose of providing you with the LibreView system. Abbott may create, access, retain, use or disclose to third-party researchers aggregated, anonymised, de-identified (or pseudonymised to the extent permitted by your law) data derived from the LibreView system for the purposes of research, to evaluate how the LibreView system is provided, to evaluate its use and its various components and equipment, to evaluate performance or impact on clinical staff or across clinics, to enhance the functioning of the LibreView system and the FreeStyle Libre sensors, to validate LibreView system upgrades, or for product development. You agree that the licence herein permits Abbott to take any such actions.

16. Feedback: Any data, comments or materials that you supply via the LibreView system or provide to Abbott in order to receive support, including feedback data, such as questions, comments, suggestions or the like ('Feedback'), shall be deemed to be non-confidential and non-proprietary. Abbott shall have no obligation of any kind with respect to such Feedback and shall be free to reproduce, use, disclose, exhibit, display, transfer, create derivative works and distribute the Feedback to others without limitation, except for health information and personal information which might be included in the Feedback but is subject to 'Section 15. Licence' above. Furthermore, Abbott shall be free to use any idea, concepts, know-how or techniques contained in such Feedback for any purpose whatsoever, including developing, manufacturing and marketing products incorporating such Feedback.

17. Trademarks: LibreView, FreeStyle LibreLink, LibreLinkUp, FreeStyle Libre, FreeStyle and related brand marks are trademarks of Abbott Diabetes Care Inc. in various jurisdictions. Other trademarks are the property of their respective owners. No licence or right, express or implied, is granted to you in any of the aforesaid trademarks, and you further agree that you shall not remove, obscure or alter any proprietary notices (including trademark and copyright notices) that may be affixed to or contained within the LibreView system. No use of any Abbott trademark, trade name or trade dress may be made without the prior written authorisation of Abbott, except to identify the product or services of the company.

18. Proprietary rights: You acknowledge and agree that Abbott and/or its licensors own all legal rights, titles and interest in and to the LibreView system, including but not limited to graphics, user interface, the scripts and software used to implement the LibreView system, and any software or documents provided to you as a part of and/or in connection with the LibreView system, including all Intellectual Property Rights that exist therein, whether registered or not, and wherever in the world they may exist. You further agree that the LibreView system contains proprietary and confidential information that is protected by applicable Intellectual Property Rights and other laws, including but not limited to copyright. You agree that you will not use such proprietary information or materials in any way whatsoever except for use of the LibreView system in compliance with these Terms of Use. No portion of the LibreView system may be reproduced in any form or by any means, except as expressly permitted in these Terms of Use or where permitted by applicable law. You shall not remove any product identification, copyright notices or proprietary restrictions from the LibreView system. You expressly acknowledge and agree that LibreView system access is licensed and not sold to you, and that Abbott, its licensors, affiliates and its suppliers, grant you a non-exclusive licence to use the LibreView system on the basis of these Terms of Use, and that your use of the LibreView system is also subject to any rules or policies applied by any app store provider such as, but not limited to, the Google Play Store, or by Abbott's third-party providers such as, but not limited to, Newyu. You therefore agree that Abbott and/or its licensors do not transfer to any user any ownership or proprietary rights in the LibreView system, any Intellectual Property Rights, or any other technology, information or materials, and as between the parties, Abbott, its affiliates, its suppliers and its licensors, retain exclusive ownership of all rights, titles and interest in and to all aspects of the LibreView system, any Intellectual Property Rights, and all other technology, information and materials, as well as any and all copies or modifications thereof (by whomever and whenever made). RIGHTS NOT EXPRESSLY GRANTED HEREIN ARE RESERVED BY ABBOTT AND/OR ITS LICENSORS. The use of this material and the associated rights of Abbott, its affiliates and its suppliers, are hereby acknowledged except solely to the extent that the foregoing is ineffective in certain countries/states/provinces/jurisdictions.

19. Termination of your LibreView system account: This Privacy Notice and the Terms of Use are effective upon your creation of a LibreView system account and shall continue in effect until terminated. You may ask Abbott to delete your LibreView system account at any time. Abbott may suspend or terminate your LibreView system account for any of the following reasons without advance notice to you:

- Any violation by you of this Privacy Notice and the Terms of Use.

- Failure to provide accurate, current and complete LibreView system account information.
- Failure to report any security incident or any actual or suspected compromise of your password or LibreView system account.

20. Applicable law: These Terms of Use shall be governed and construed in accordance with the laws of the State of Illinois without regard to any choice of law provisions. In the event of any conflict between foreign laws, rules and regulations and those of the United States, the laws, rules and regulations of the United States shall govern to the fullest extent possible. You agree that these Terms of Use shall be fully performable in the State of Illinois, and you agree that jurisdiction and venue are proper in of the state and federal courts located in the State of Illinois, United States of America, with respect to any proceedings arising from these Terms of Use or the relationship between the parties hereto. The parties hereby agree that the United Nations Convention on Contracts does not govern these Terms of Use for the International Sale of Goods. **For EEA and Swiss users:** The foregoing shall not apply, except in respect to these Terms of Use not being governed by the United Nations Convention on Contracts for the International Sale of Goods. For such users, the governing law of your country of residence shall apply. **For EEA and Swiss users:** Alternative dispute resolution is a process where an independent body considers the facts of a dispute and seeks to resolve it, without you having to go to court. If you are not happy with how we have handled any complaint, you may want to contact the European Commission Online Dispute Resolution platform.

21. Entire Terms of Use: This Privacy Notice and the Terms of Use are the entire agreement between you and Abbott relating to the LibreView system and they supersede all prior or contemporaneous oral or written communications, proposals and representations with respect to the LibreView system or any other subject matter covered by these Terms of Use. In the event of a conflict between the English and any non-English versions of these Terms of Use, the English version shall govern.

If any provision of this Privacy Notice and the Terms of Use is held by a court of competent jurisdiction to be contrary to law, such provision will be changed and interpreted so as to best accomplish the objectives of the original provision to the fullest extent allowed by law and the remaining provisions of this Privacy Notice and the Terms of Use will remain in full force and effect.
